DO SOMETHING DIFFERENT - INSIDE

Experience a new world of dimensions, colour and materials

IN HOUSE INTERIORS is a company that brings to Australia a distinctive international influence through its principal decorator **Alain Chazelles**. Alain, originally from France, brings with him 25 years of experience on the cote d'Azur and has led to dealing with a wide range of cosmopolitan clients. His accomplishments demonstrate the refined expertise necessary for your unique project.

Whether you simply require a consultant to assist you with the right choice of colour and materials, or full project management for your hotel, commercial space, apartment or home, **IN HOUSE INTERIORS** will provide you with a fresh perspective.

Don't let your ideas come to a dead end, let **IN HOUSE INTERIORS** give your project a new dimension with space, colour and materials. Alain Chazelles is able to select talented and highly skilled suppliers and craftsmen, in order to execute your inspirations, so that your interior will be unique and refined.

IN HOUSE INTERIORS dedicate themselves to your project from beginning to end. We will select the companies required to quote on each specific component of the work. Our extensive experience in contract preparation, contract management and supplier supervision will ensure your dream is delivered trouble free.

Our personalised service will exceed your expectations at every stage. The initial consultation will explore several exciting concepts and ideas. This is followed by a detailed proposal outlining the various stages of work, the selection of materials, lighting, furniture, colours and suppliers; all subject to your requirements and approval.

Finally our management of the craftsmen will ensure that the realisation of your project is conducted with minimum disturbance and the greatest amount of satisfaction.
